Dedication

The Class of 1960 dedicates "The Torch" to Mr. David Harvey, senior class advisor.

Mr. Harvey, born in Norwich, Connecticut, graduated from Stanford High School. From there he attended Providence-Barrington Bible College and Taylor University, where he majored in chemistry and minored in physics and math. He has taught in Vermont and also in Holbrook. Recently he attended Rensselaer Polytechnic Institute and Bridgewater State Teachers College where he worked toward a Master in Education degree. During the summer of 1959 Mr. Harvey began graduate study at Ohio State University as a participant in the National Science Foundation Institute for Science Teachers. He holds membership in the American Association of Physics Teachers, the New England Association of Chemistry Teachers, and the National Science Teachers Association.

Our sincere gratitude to you, Mr. Harvey, for helping to make this yearbook possible.

Foreword

When the idea of issuing a yearbook was put forward by the Senior Class it was received with misgivings. We were determined to work hard to publish a yearbook worthy of the E.B.H.S. name. Members of the staff spent many hours preparing copy and "lay-out sheets," while an active photography staff kept busy taking pictures and processing prints. There were times when our spirits were weakened and the tasks seemed tremendous.

We often felt our purpose had been defeated, and that all our work was but in vain. If it hadn't been for the aid and understanding of many of our teachers and the full support of the administration we never could have produced "The Torch." We have ignited the "Torch" with the hope that the flame will be rekindled each year with the same spark of enthusiasm which has inspired the Class of '60 to persevere and come through with this first edition of "THE TORCH."

Class of 1960

This June as you graduate from our high school, you will enter the productive life of our nation and perhaps the world. You are, therefore, our most valuable asset.

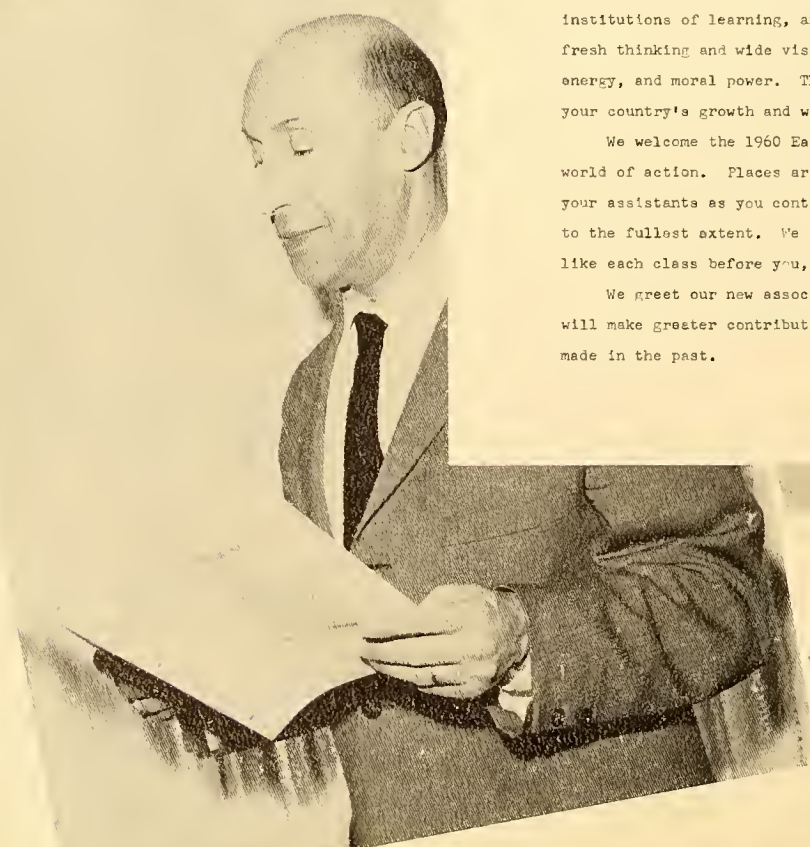

You young people will bring to business, industry, higher institutions of learning, and our military forces new skills, fresh thinking and wide vision, boundless enthusiasm, great energy, and moral power. These are invaluable qualities for your country's growth and world responsibility.

We welcome the 1960 East Bridgewater graduates to the world of action. Places are waiting for you. We will be your assistants as you continue to develop your capabilities to the fullest extent. We do know from experience that you, like each class before you, must make its own way.

We greet our new associates with the faith that you will make greater contributions in the future than we have made in the past.

To the students of East Bridgewater High School:

THE FUTURE is a first venture for us and one which has brought new experiences to those who have participated in its production. It is the function of a school constantly to provide new experiences in learning upon which we may build our individual futures. To all of us the future should be our greatest concern. Our every activity should be pointed in direction of the days that are to come. Charles F. Kettering, the renowned engineer-inventor, summed it up well when he said, "My interest is in the future, because I am going to spend the rest of my life there."

Class History

The Class of 1960 entered East Bridgewater High School on September 3, 1956. Thus began four years of high school life and a lifetime of memories.

The first formal act of the class was the drawing up of a constitution and the election of four class officers. Crimson and white became the class colors, red and white carnations the class flowers, and "The Golden Opportunity Is Never Offered Twice," the class motto. Many freshmen purchased the class pin, a red and gold cut graced with the kindred flame insignia. June 20, 1957, brought graduation and a celebration in the form of a beach party at Charge Pond.

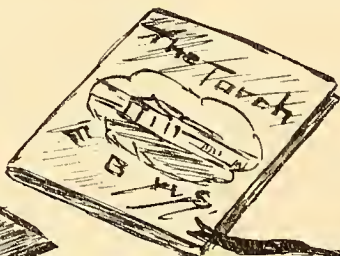

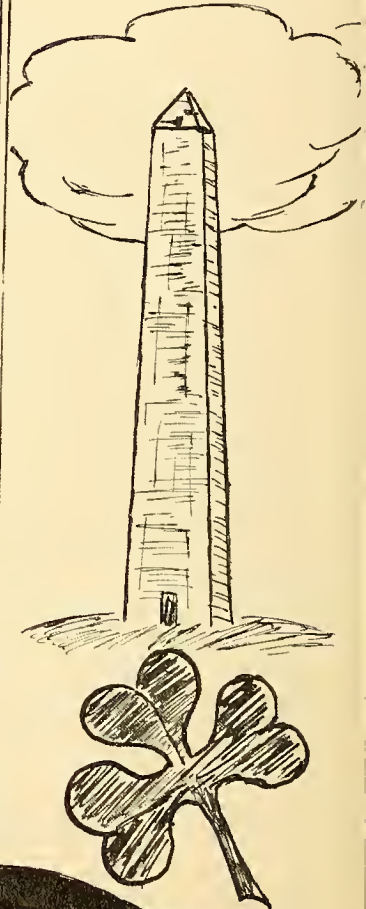

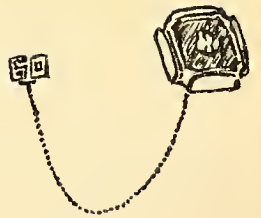

The sophomore year included a tour of historical Boston. Highlights of this trip were visits to Paul Revere's house, the Old North Church, Bunker Hill Monument, and the *U.S.S. Constitution*. The year continued with the move to the new school. Then on the stormy night of March 17 the Sophomore Hop was held. The cafeteria did not contain leprechauns, but it was appropriately decorated with green shamrocks.

As another year came, the Class of 1960 proudly returned to the school as juniors. This junior year was filled with many exciting experiences, the first of which was the purchase of class rings. The social highlight was the Junior Prom, "Rhapsody in Blue." On May 1, 1959, the gymnasium became a garden of spring flowers surrounded by a picket fence. The soft lights reflected the rainbow of lovely gowns, and everyone danced to the lilting strains of the orchestra. The closing of the year saw some of the juniors as ushers for the graduation activities of the Class of 1959.

With the beginning of the senior year the Class of 1960 began a program which was to bring to E.B.H.S. its first yearbook. The dramatic achievement of the year was "Quality Street," the class play, presented on December 11. Now the date of graduation fast approaches; soon seventy-nine seniors will become seventy-nine alumni. Commencement is both a beginning and an end. We begin a new life and end our carefree school days. But with our diplomas we take priceless memories that will always lead us back to E.B.H.S. As Longfellow has so aptly said:

"This memory brightens o're the past,
As when the sun concealed
Behind some cloud that near us hangs
Shines on a distant field."

Our team came through in fine style this year in what was supposed to be an off year for East Bridgewater football. What the team lacked in experience and manpower they made up in desire and fight.

Our most cherished win came on Thanksgiving Day when we beat West Bridgewater 9-8. In this game the line lead by Co-Capt. Lawrence Howard, Frank Lombardi, Michael McCarthy, John Silva, Tony DeFeo, Edward Perry, James Thornton, Brad Voye, consistently opened big holes for Co-Capt. Ned Smith, Henry Owens, Dave Butler, and Rodney Philbrick to run through. This was a game that will never be forgotten by East Bridgewater High fans.

Cross Country Team

This year's varsity cross-country team didn't enjoy a very successful season, winning only one of eight dual meets. The lone victory was over Duxbury 27-30.

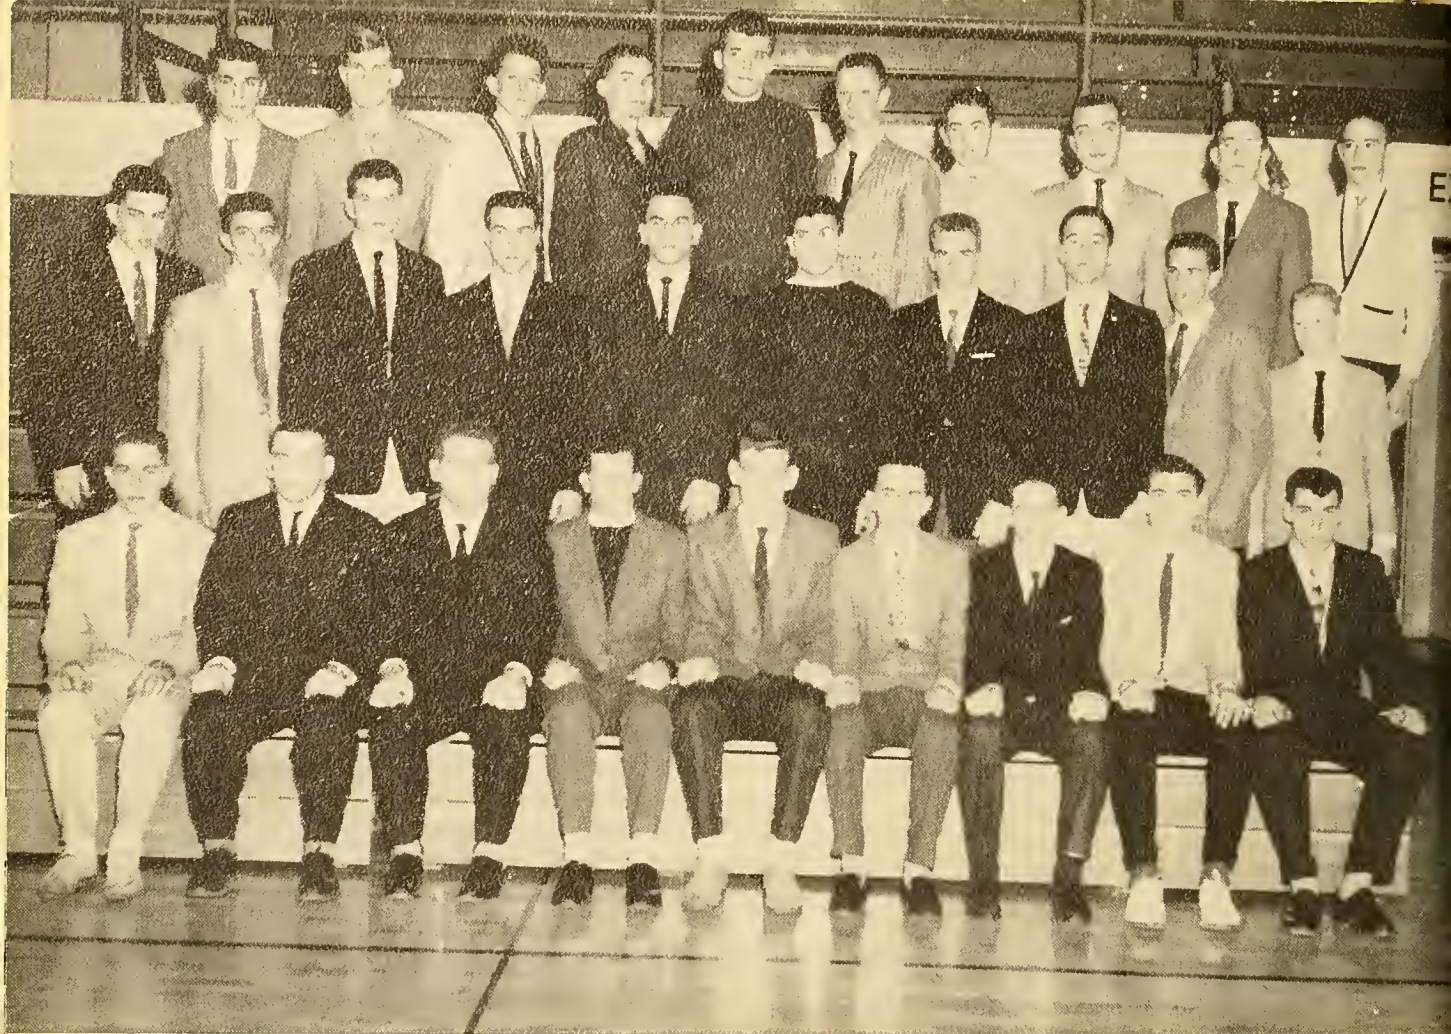

The team was young and inexperienced, but next year, under the guidance of Mr. Williams, they should enjoy a fine season.

The team will lose Capt. Joe Feeney and Steve Curley by graduation. Eric Anderson, one of the top winners in the state, Harold Dondero, and Gary Davy will form the nucleus of next year's team.

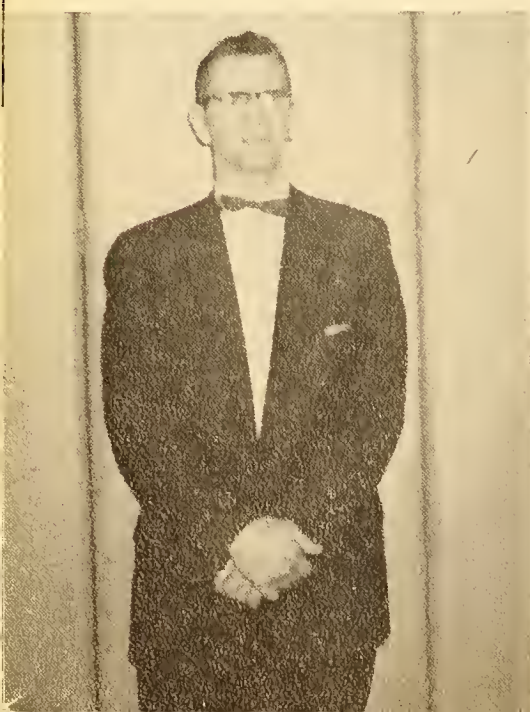

Coach Thomas Williams and Captain Joseph Feeney.

Basketball Team

FIRST ROW: William Rockwell, Edward Smith, Lawrence Howard, Ronald Meyerowitz, Stephen Curley, Joseph Feeney, Michael McCarthy, Robert Cavanaugh, Russell Grabeau. THIRD ROW: Frank LaRosa, Robert Patt, Daniel Pratt, Donald Nickerson, Lester Peterson, Laurence Leland, Stephen Haglof, Bruce Graber, James Armer, Joseph O'Kelly.

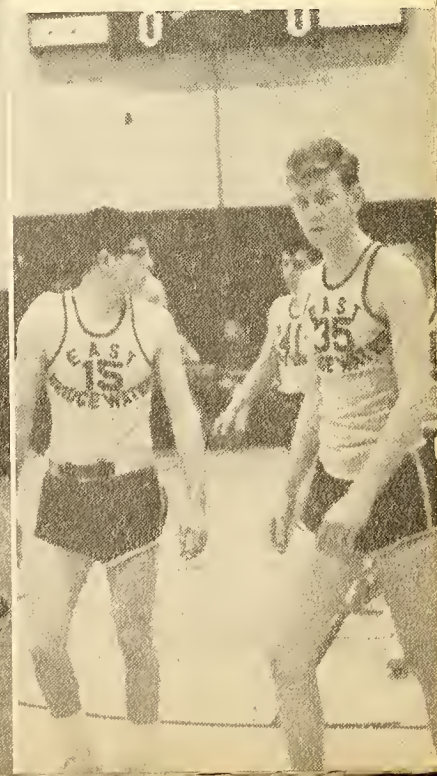

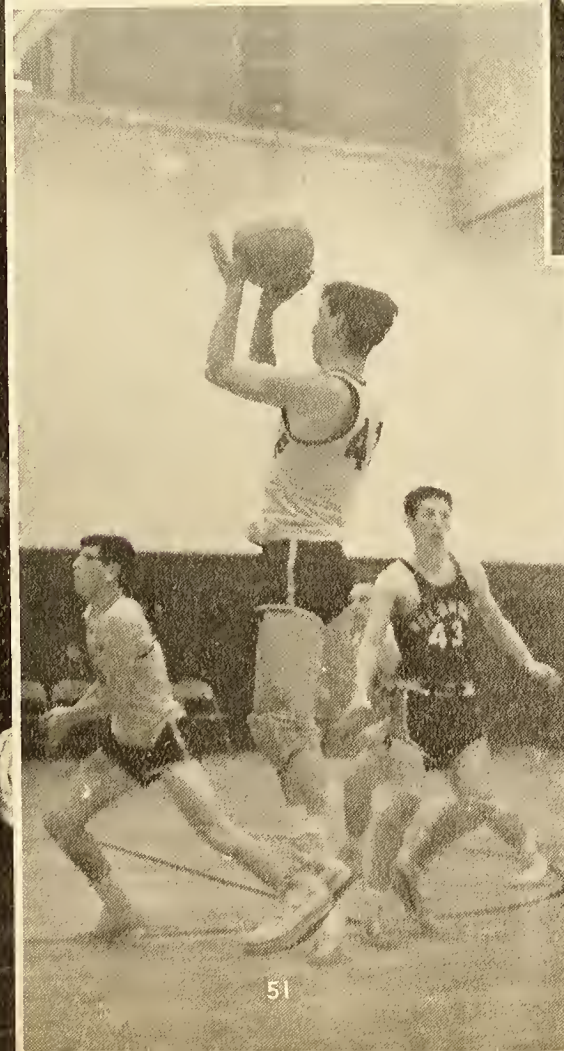

Basketball

The E.B.H.S. basketball team had a rebuilding season this year, without any returning lettermen.

The team will lose R. Cavanaugh, S. Curley, J. Feeney, R. Grabeau, L. Howard, M. McCarthy, R. Meyerowitz, W. Rockwell, and E. Smith through graduation. However, there will be a host of experienced players returning next year. Among the outstanding leaders are: Juniors, D. Butler, A. DeFeo, R. Gonsalves, J. Silva and G. Veronesi. Sophomores, S. Handy, F. LaRosa, R. Tucker. Freshmen, J. O'Kelley and L. Leland.

We're sure Coach Morey can expect great things from these men in the forthcoming season.

Captains, Michael McCarthy and Henry Owens

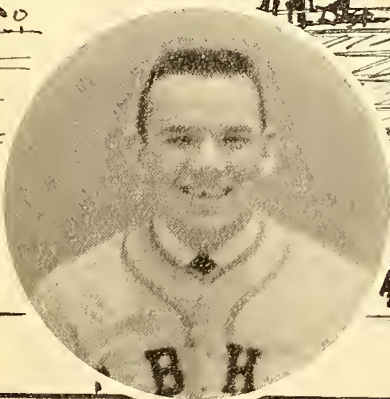

East Bridgewater's High School Track Team did a fine job considering the fact that we were an inexperienced team. The man behind the scenes is coach Vincent Malewicz. Although he is a familiar sight around the school his job as track coach is somewhat less familiar to most individuals than his other activities. Not only did he have to start with untrained material, he had to arrange practice sessions and build up our many weak points. His job was made easier by the eager co-operation of co-captains Michael McCarthy and Henry Owens, with every member of the team performing the job assigned to the best of his ability.

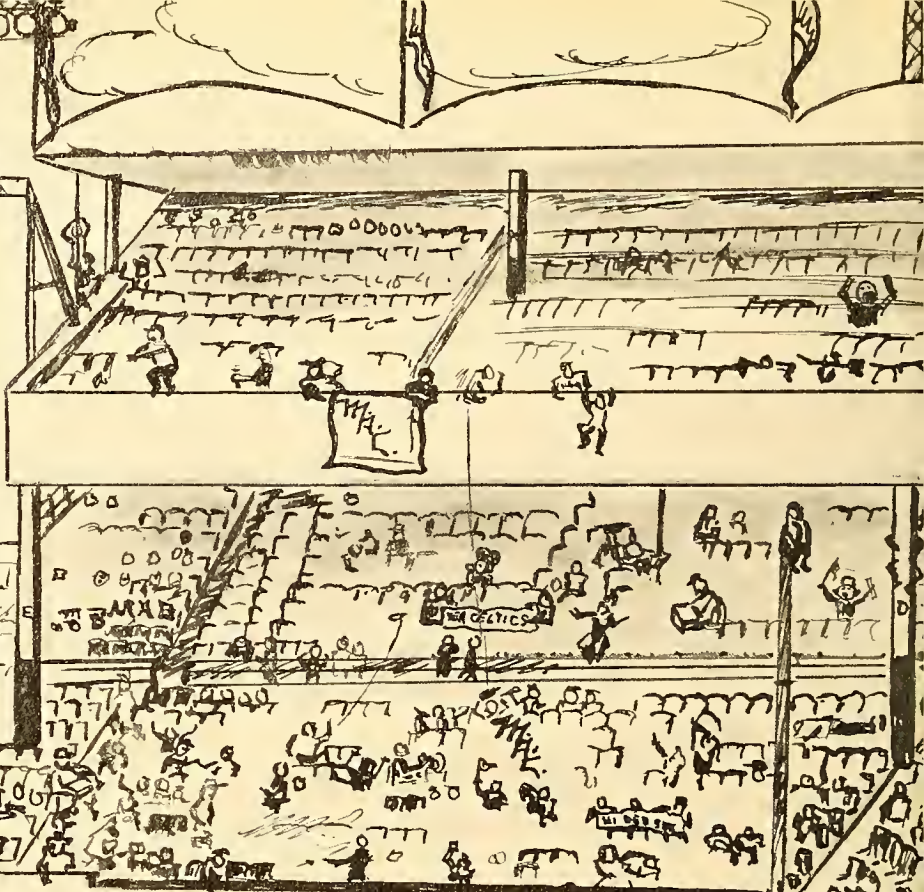

Baseball

This season should be a banner year for the E.B.H.S. baseball team under its newly appointed coach, Mr. William Leanues. The return of all but one of our 1959 players plus some worthy new additions to the team give promise of an excellent showing when the spring of 1960 brings with it a new baseball season.

Although this season was not very successful as far as winning games went, it was very successful in that great improvement was shown over last year's playing. The girls did win two games and are confident of a more successful season next year under the excellent coaching of Mrs. Lovering.

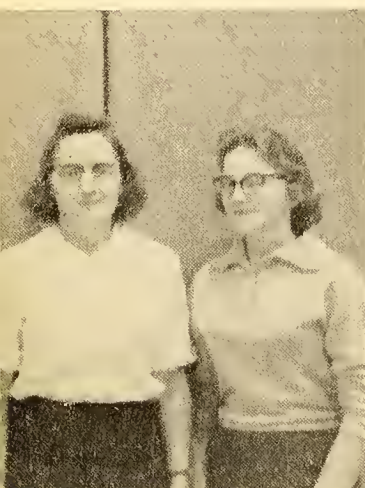

Girls' Basketball

This year the girls' high school team defeated the alumnae for the first time in many years. The girls had a lot of drive, and came through in fine style this season.

There were many veterans back this year who played varsity: from the Senior class, Norine Heath and Patricia Owens. The Junior class members are Rosemary Estep, Donna Sampson, Gail Peterson, Evelyn Leganowitz, Sandra Hudson, Judith Allen, Karen Grasse, and Donna Davis. Chirlane Paulding, Marcia Soule, and Ann Scalzo are from the Sophomore class.

The girls were very fortunate to have Mrs. Lovering as their coach.

National Honor Society

The local chapter of the National Honor Society was organized in 1954 by Miss Sullivan, Mrs. Naumes, and Mr. Goldman, with Miss McNally as chairman. Seven candidates were selected from the classes of 1955 and 1956. Each year thereafter the faculty has honored those outstanding in leadership, character, and service, in addition to scholarship, the primary objective.

Initiation is held each spring as a school assembly to which the parents of the new members are invited. This year the eligible sophomores will be elected as probationary members. This will inspire them to maintain their high standards and strive for membership the following spring.

The present advisors are Mrs. Hynes, Mrs. Scheffler, and Mr. Williams, with Miss McNally as sponsor.

The purpose of the society is to cultivate high scholarship standards. Among its activities are the sponsoring of educational assemblies and trips, the promoting of a greater book club, and the forming of other such clubs.
